President's Letter

Welcome back everyone!

Can't believe that Summer is over, but I always look forward to our meetings starting up again. Our first meeting will be Friday September 12, 6:30 at the Audubon Library.

By now everyone should have received the prospectus and entry forms for our Holiday 2025 Show and planning on the art to enter. Please remember that in order to have our beautiful printed program for the reception we need to have your entry form postmarked by September 23. Your artwork doesn't need to be done (thank goodness!) as the drop off date isn't until October 30, but we need to input all the information and get it to the printers for the beginning of October.

Carnegie Art Center will be holding their fund raiser Art Off the Wall on Thursday November 13, 6:30-8:30pm. Entries are 5x7 unsigned, not mounted or matted pieces of art. Bring your pieces to the October meeting and I will take them to the gallery. More info about this event at the September meeting or contact me. Let's cover the wall with WAS artwork!

We will be doing another Meet & Greet at the Niagara Art Trail's 2025 Holiday Artist, Craftsmen & Vendor Fair. More info to follow.

If you think you may be interested in becoming the Secretary for WAS please contact me. We still need someone to step forward and support their society.

Motif No. 1, by Beverly Amborski

After visiting our daughter in Salem Massachusetts this summer, we headed up North to the quaint town of Rockport. What is in Rockport, Massachusetts you ask. The most painted building in the world. Named Motif No. 1. People from all parts of the world come to paint the quintessential icon of a New England fishing town. Feel free to be one of the artists to paint the little red fishing shack known as Motif No. 1.
